SKILLS

- Languages -Java, JavaScript, SQL
- Frontend -React.js, Angular, HTML5, CSS3
- Backend -Spring Boot, Hibernate, Express.js, REST APIs
- Database -MySQL, MongoDB
- Tools -Git, GitHub, Postman

WORK EXPERIENCE

Full Stack Developer Intern | TechPuram

Project: CRM System | Technologies: React.js, JavaScript, REST APIs, SQL, Git

- Developed responsive CRM modules using React.js and modern JavaScript.
- Integrated and tested REST APIs for customer data management and workflow automation.
- Performed database operations, data validation, and debugging to ensure data integrity.
- Collaborated in an Agile development environment, contributing to feature implementation and quality assurance.
- Used Git for version control and team collaboration throughout the development lifecycle.

PROJECTS

Multi-Tenant SaaS Application for Project Management System

- Developed a multi-tenant SaaS backend using Node.js, Express.js, and PostgreSQL with schema-per-tenant architecture to ensure secure data isolation.
- Built RESTful APIs and JWT-based authentication for managing tenants, users, projects, and tasks.
- Designed relational database models and handled PostgreSQL migrations and errors during development.

Inventory Management System

Technologies: Java, Spring Boot, Spring Security, JWT, MySQL, JPA/Hibernate, Angular

- Developed a role-based Inventory Management System with Admin, Manager, Staff, and Supplier modules.
- Implemented secure JWT-based authentication, authorization, and Role-Based Access Control (RBAC) using Spring Security.
- Built RESTful APIs for Product, Supplier, Warehouse, Stock, Stock Movement, and Purchase Order management using Spring Boot and MySQL.
- Designed inventory workflows including stock tracking, stock transfers, supplier order processing, and warehouse management following scalable backend architecture principles.

EDUCATION

- **B.E. Computer Science and Design Engineering** in Sethu Institute of Technology, Kariyapatti – Autonomous with 77.5% (2022-2026).
- **Higher Secondary Certificate** in S.B.K Boys Hr. Sec School, Aruppukkottai with 78.16% (May 2022).
- **Secondary School Leaving Certificate** in Govt High School, Thonugal with 78% (March 2020).

Certifications

- Advanced Master Program in Next-Gen AI Integrated Java Full Stack Web Development (Java, Spring Boot, Hibernate, REST APIs, Angular, MySQL, AI Integration)
- Java Certification (Core Java, OOP, Collections, JDBC, Multithreading)
- SQL Certification (MySQL, Joins, Subqueries, Database Design, Normalization)
